

## ABOUT

Historic St. Mary's City is one of the premier historic sites in America, a museum of living history and archaeology on the site of Maryland's first capital in beautiful, tidewater Southern Maryland.

Historic St. Mary's City features four main outdoor destinations (including one that allows the visitor to step back in time to 1667) and three indoor exhibits, all highlighting archaeological discoveries, and exploring the diverse stories of Maryland's past.

Designated a National Historic Landmark, Historic St. Mary's City tells of cultures intertwined, and the place where concepts of religious tolerance were first born.
