| 11:30 a.m. | HEARTH COOKING
How would you prepare your food and drink without a refrigerator, stove, or microwave? Visit the Godiah Spray Tobacco Plantation to learn how food was prepared over 300 years ago. |
| 12:30 p.m. | 17TH CENTURY MEDICINE
How did the early Europeans survive without modern medical knowledge and medicines? Come to the Town Center exhibit area to discover what medicinals were used, and how it affected the way people lived. |
| 1:30 p.m.  | GUNNERY
Learn how and why the crew of Maryland Dove uses the ship’s cannons, and why they are called murhtherers (the cannons, not the crew). For those with sound sensitivity, be aware there will be a loud bang heard throughout the museum. |
| 2:30 p.m.  | HEARTH COOKING
How would you prepare your food and drink without a refrigerator, stove, or microwave? Visit the Godiah Spray Tobacco Plantation to learn how food was prepared over 300 years ago. |
